

March 2018 Study Guide

Welcome to the 2018 season. Like last year we are starting with the kicking game. In doing so we recognize rule changes have been implemented in this area related to enforcement. **YOU SHOULD REVIEW THESE PRIOR TO COMPLETING THIS GUIDE.** Likely your training officer has them but they can also be obtained easily from the NFHS web site. New rules and mechanics changes will be covered **in depth** with the last two study guides. We are waiting for mechanics meeting to occur plus we anticipate NFHS written clarification related to fouls by R in kicking situations involving illegal substitution and participation. Stay tuned and as always we will provide updates and remove questions if the NFHS Editorial Committee changes its mind. Which they have been known to do. These often come out in mid-summer after the NFHS Interpreter meeting in July. Equally important, no final decision on seven man crew in the playoffs has been made by GHSA staff. It is highly likely it will pass as a compromise to instant replay. Rule section and number references may change when new rule books come out so bear with us.

SUGGESTIONS FOR CREW STUDY: In your crew or individual study envision your mechanics for each question. Also, emphasis should be on staying with keys on kickoffs. When we look at film we are seeing many illegal blocks that should be seen if keys are being followed. See #3 item below.

ABBREVIATIONS: The usual. EZ= end zone. Yard lines are designated with the team that defends that yard line. Example: B34. Down and distance per the usual designation. Down first then distance. Example: 3/8 would be third down and eight yards to go. Team R- receiving team. Team K-kicking team. Team A-offense. Team B- defense. OL-offensive lineman. DL-defensive lineman. LOS- line of scrimmage.

MORE ITEMS FOR CREW DISCUSSION:

1. How does the definition of illegal participation change with change of possession on kicks?
2. How do we identify pop-up kicks?
3. In film review we see individual keys on free kicks assigned to wings and deeps given up or looked off too quickly. A point of crew emphasis.
4. What conditions must be met for PSK to be part of enforcement?
5. What is an illegal formation on free kicks?
6. What are the numbering exceptions that affect scrimmage kicks on first, second or third down?
7. What are the new rules of enforcement for penalties on K during scrimmage and free kicks?

QUESTIONS

1. 4/8 from K48. Punter K82 muffs the snap but regains possession and begins to scramble. Under pressure K82 punts the ball from the K49 yard line. The ball hits the ground well downfield where R12 picks up and advances to the R30 and tackled. Which statement is **FALSE**:
 - A. K82 committed a foul for an illegal kick.
 - B. While the ball is loose after the kick it is treated as a fumble.
 - C. The fifteen yard penalty for the illegal kick, if accepted, is enforced from the previous spot.
 - D. R may decline the penalty and retain possession at the R30.
2. 4/16 from the K32 yard line. The punt is high but short. R26 is running forward to catch the ball but has to stop and go around K43 at the R49 yard line and never reaches the ball. No fair catch signal is given. The Field Judge determines that kick-catch interference occurred despite no

contact on R26 by K43 and throws his flag. Teammate R12 recovers the grounded kick at the R48 and advances to the K37 where tackled.

Concerning this play which statement is **FALSE**:

- A. R may accept a fifteen yard penalty from the previous spot and replay the down.
 - B. R may accept a fifteen yard penalty from the R48- the spot of recovery-and put the ball in play by either a snap or scoring free kick attempt.
 - C. R may accept a fifteen yard penalty from the R49-the spot of interference and an awarded fair catch- and put the ball in play by either a snap or scoring free kick attempt.
 - D. A free kick after a fair catch- real or awarded- can score three points.
 - E. The Field Judge is correct. Contact is not necessary for kick-catch interference.
3. 4/7 from the K49 yard line. Team K punts and R48 catches the kick at the R22 and advances to the R39. While the kick is airborne, R20 is flagged for holding at the R28. Which statement is **TRUE**:
- A. If accepted, a ten yard penalty is enforced from the R22. 1/10 for Team R at the R12.
 - B. If accepted, a ten yard penalty is enforced from the R28. 1/10 for Team R at the R18.
 - C. If accepted, a ten yard penalty from the K49. Team K will put the ball in play 1/10 from the R41 yard line.
 - D. If accepted, a ten yard penalty from the R39. Team R will put the ball in play 1/10 from the R29.
4. Team K punts on 4/6 from the K20 yard line. While the kick is airborne R33 enters the field believing R only had ten players at the snap-which they did. He does not block or influence the play. R21 catches the punt

at the R40 and returns the kick for a touchdown. Which statement is **TRUE**:

- A. R33 is guilty of illegal participation. Team K accepts the fifteen yard penalty from the previous spot and puts the ball in play 1/10 at the K35.
 - B. R33 is guilty of Illegal participation. A fifteen yard penalty is enforced under post-scrimmage kick enforcement from the R40 and Team R puts the ball in play 1/10 from the R25.
 - C. Illegal substitution. This is enforced from the previous spot with a replay of the down.
 - D. Illegal substitution. This is penalized under PSK enforcement as it was not simultaneous with the snap. 1/10 for Team R at the R35. The touchdown is negated.
 - E. R33 is guilty of illegal substitution. By rule, he remained a non-player. This penalty is enforced from the succeeding spot. Team K has the choice of enforcement on the try or subsequent kickoff.
5. Team K kicks off opening the second half. The kick slices to the sideline sinking quickly. R48 catches the kick while one foot is on the sideline on the R31 yard line. Which statement is **FALSE**:
- A. Since R48 touched the ball prior to the end of the kick it will be Team R ball 1/10 at the R31. No other options are available.
 - B. Since R48 was out of bounds when he touched the ball, the kick went out of bounds untouched by R in the field of play.
 - C. Team R can accept a five yard penalty from the previous spot and replay the down.
 - D. Team R can put the ball in play at the R31 yard line on the hash mark nearest the sideline the ball went out of bounds.
 - E. Team R can accept an add on five yard penalty and start

play from the R36.

6. Team K punts. R15 catches the punt over his head at the R4 yard line and his momentum takes him into the EZ. While R15 is in the EZ and prior to being tackled there, R52 blocks K50 in the back at the B12 yard line.

- A. This is kick catch interference only if R21 gave a valid fair catch signal.
 - B. Kick catch interference regardless of a fair catch signal or not.
 - C. If kick catch interference is enforced, Team R will have the

option of a scoring free kick.

D. Both B and C are correct.
